

Toward Sustainable Groundwater in Agriculture

An International Conference
Linking Science and Policy

**REGISTER
TODAY!**

June 15-17, 2010

**Hyatt Regency at the San Francisco Airport
Burlingame, CA**

Sponsored by the Robert M. Hagan Endowed Chair

This three-day conference will provide scientists, policymakers, agricultural and environmental stakeholders, local, state and federal governmental officials, and consultants with the latest scientific, management, legal and policy advances for sustaining our groundwater resources in agricultural regions around the world.

Confirmed speakers include

- Bill Alley, Chief of the U.S. Geological Survey's Office of Groundwater
 - Jacob Burke, Senior Water Policy Officer for the FAO (Food and Agricultural Organization)
 - Robert Glennon, Author of *Unquenchable: America's Water Crisis and What to Do About It*, and *Water Follies: Groundwater Pumping and the Fate of America's Fresh Waters*
 - Tushaar Shah, Senior Fellow for the International Water Management Institute in India
 - Michael Hightower, Sandia National Laboratories, author of Congressional report "Energy Demands on Water Resources"
 - David Orth, General Manager, Kings River Conservation District
 - Karen Burow, National Water Quality Assessment Program, USGS
 - Pamela Creedon, Executive Officer, Central Valley Regional Water Quality Control Board
- And many more...**

Topics to be addressed in plenary sessions and technical sessions include:

- Socioeconomic Aspects of Agricultural Groundwater
- Climate, Energy, and Agricultural Groundwater
- Agricultural Groundwater Quality and Contamination
- Conjunctive Use, Agricultural Water Use, and Groundwater Management, Policy, and Regulation
- Groundwater at the Agriculture-Urban Interface
- Groundwater Linkages to Surface Water and Estuaries

The Groundwater Resources Association of California is coordinating exhibits.
Contact Mary Megarry at mmegarry@nossaman.com or 916-446-3626 for more information.

Sponsorships are welcome. Contact Beth Stern, at bstern@watereducation.org or 916-444-6240

Watch the website, www.ag-groundwater.org, for updates.

We have reserved a limited block of rooms at the special rate of \$149, plus tax, per night June 13, 14, 15, and 16. **Call 650-347-1234 to reserve your room.** Be sure to mention the Water Education Foundation to get this special rate.
